

2006 Love Puppets Pinot Noir

The wine is deeply colored with hues of ruby and purple around the edges. The aromas and bouquet are warm and inviting with candied sour cherries, blackberries, persimmon pudding and spice cake with notes of racy oak toast. The flavors revolve around great dark cherry fruit.

The mouthfeel is nothing short of voluptuous. This wine coats the mouth with a warm pleasing impression that lasts and lasts and lasts. There are well integrated very fine tannins that are nicely balanced by refreshing acidity. This wine is the real deal, a very decadent and hedonistic pinot noir.

All of the grapes in this wine come from our favorite dry farmed vineyards, all with yields of less than two tons per acre. The resulting structure is phenomenal. 2006 is going to prove to be a fabulous vintage for pinot noir in the Umpqua Valley and this wine represents the best of the grapes we bring in from our diverse growers.

Bottled September 13, 2007 | 800 cases
